II. WPVN 24.4 – TV Polvision airs talk show “Damski Punkt Widzenia “ that follows the subjects of public discussion with some of the subject inspired by organized events :

- a. Promoting cultural events: pop , folk and classical music concerts, theatre performances, movie shows that were organized in Chicago-land associated with WPVN 24.4-TV Polvision : European Cultural Foundation , and with other entertainment enterprises: Chopin Theatre , Society for Arts , Paderewski Symphony Orchestra , Copernicus Foundation , RK Entertainment , ABCD Music Academy , Integra Communication and Christopher Entertainment.
- b. Informing Polish viewers of current changes in laws that are important for people in the community. Through out the quarter WPVN 24.4

- TV Polvision hosted on air representatives of the Polish American Association to inform about immigration related issues, representatives of the Labor Department

who talked about the most recent changes in labor laws, employer and employee relations, their rights and duties, requirements in Polish. The interviews purpose is to keep people informed and advised of the most recent changes in this particular area of knowledge.

- c. Informing Polish community about educational opportunities: cooperating with Illinois Student Assistant Commission (ISAC) and Polish-American Association to inform prospective students and their parents about financing options available and guide them through the processes involved in getting the financial assistance. Informing of organized meeting regarding college education in the U.S. Regularly , members of Polish- American Association are hosted on WPVN 24.4-TV Polvision to present the educational programs offered to the community by the organization. Recently, due to extremely limited funding , the educational program have been cut and focused mostly on offering vocational training so people can get a chance to update or shift their education and profession to the area with bigger number of job openings. WPVN 24.4-TV Polvision informed their viewers of available courses offering education in medical field as well as courses helping people improve their computer skills.
 - d. Informing viewers of their seminars, meetings and public events that are available to them. This quarter WPVN 24.4-Tv Polvision has aired information about seminars co organized with Polish – American Association on the subject of Citizenship workshops and Illinois Coalition for Immigrant and Refugee Rights (ICIRR) seminars, Polish American Chamber of Commerce monthly meetings. Polvision also promoted Polish American Contractor Builders Association safety seminars (Oscha regulations).

 - f. This quarter Polvision promoted and provided news coverage news coverage for local sport’s events. Also promoted healthy cooking for kids programs.
- III. WPVN 24.4 – TV Polvision airs “Monitor Polvision “news -informative program of hour duration. This program consist of world, Polish and local information. In addition, there are many interviews with local authorities, politicians and specialists in the local area and the world. “Monitor Polvision” is also about economics, culture, weather and sports. Polvision broadcast up-

to-date local and international news from Poland and around the world. Polvision cameras cover all events that are important to the Polish American audience. In addition there are many interviews with Polish and American politicians and experts to discuss and analyze worldwide and local economic situation and politics.

- IV. WPVN 24.4- TV Polvision has assisted in gaining contributors and sponsors for Polish charity Gift of the Heart Foundation by promoting Annual Ball and charity cruising event. This has helped raise funds for the organization to provide hospital procedures, operations and physical therapy for Polish children who cannot undertake such complicated treatments in Poland. The reports on the activities of the Gift of the Heart Foundation are presented periodically on air. TV Polvision has assisted in promoting the Gift of the Heart Foundation on their annual picnic that was on June 19, 2016 at Casa Italia in Stone Park, IL.

WPVN 24.4 -TV Polvision has also helped and promoted the Polish – American Association which relies mostly on State funding. However, due to recent financial difficulties and cuts of State and Federal funding the social programs provided by Polish – American Association have been seriously limited. In order to help keep some of the programs WPVN 24.4 – TV Polvision along with viewers and community members helped raise money for Polish – American Association.

Polish – American Association’s reps come in regularly to inform Polish audience in the daily news segment about options and programs that are available in the Chicago area with regards to immigration and citizenship and programs regarding home violence, substance abuse in teenagers and adults , unemployment, education and career as well as social services and social security. Polvision has also promoted Polish American Association Chairman Brunch.

In addition to that, various companies and organizations cooperated with WPVN 24.4 – TV Polvision in creating and presenting and informing about options of help for people impacted by different aspects of the economic crisis, rising unemployment and changing laws in the areas of immigration, labor and finances. In this quarter Polvision interviewed Polish Initiative of Chicago representatives regarding visa waiver issues.

WPVN 24.4 – TV Polvision is also a sponsor of the annual Miss Polonia Pageant where thirteen women candidates, who are of Polish nationality, are chosen to be Miss Polonia. Casting for this show was on May 21st 2016 and the Final Event will be on September 16th at European Crystal Banquets, Arlington Heights, IL.

- V. Children’s Programming: “Dzieci Mowia” Kids Talking, hosted by Krzysztof Arsenowicz, talk show with kids, about kids, and for kids as well as adults. During each episode that host with participating children talk about important

issues, such as educational, art, music, other interests and special events of relevance, social issues. The program aim is to teach core values and assist children who are generally under 14 years of age and Polish in America. The program is in Polish language only, and is locally produced.
